## Insurances Accepted

La Rabida Children's Hospital currently participates in the health insurance products listed below. Patients are advised to contact their insurance company to confirm La Rabida's participation prior to scheduling an appointment.

If you have health insurance with an HMO or PPO plan you may have a co-pay which is due at the time of service.

If you have health insurance with a non-participating HMO or PPO you may still receive services at our facility. However, these services are considered "out of network" and may not be covered. You will be responsible for paying the bill in full or for any balance not paid by your health insurance. Patients are advised to check with their HMO or PPO plan to understand their policy limitations.
