Patient Updates

Heading Home!

Elayah went home last month, but she'll be continuing her hard work in rehab in our Outpatient Clinic, so it's not goodbye, just see you later!

Movie Day on the S.S. La Rabida

Thanks to our friends at Disney patients staying with us had a chance to watch *Moana 2* in style with a decked out viewing party. Dolls, decorations, and a cinema-style screen made this La Rabida premier one to remember.

Chicago Magazine Top Docs

We know we have the best doctors around, and so does *Chicago Magazine*! Several of our very own physicians were included in this year's *Chicago Magazine* list of "Top Docs in Cook County." This prestigious honor is especially meaningful as it is based on peer nominations, highlighting the respect and admiration our doctors have earned within the medical community. Their dedication to providing compassionate, high-quality care to our patients exemplifies our Core Values. Please join us in celebrating this well-deserved recognition and their commitment to excellence!

Support Our Mission

Then and Now: Bob and Rose

Meet our good friends Bob and Rose. Bob was a rheumatoid arthritis patient here as a teenager in 1967, and received his follow-up care here as well. Hospitalized for several weeks, Bob remembers looking at the lake from the room he shared with a boy named Orlando, whom he remembers fondly. A patient of Dr. Grossman, Bob adored his physician and continued to visit him at La Rabida for years. During one of those visits Bob brought Rose to meet Dr. Grossman and to tell him they were getting married!

Longtime supporters of La Rabida, Bob and Rose have two children and two granddaughters. Bob retired from being a Chicago police officer 15 years ago, and they now live in the suburbs. Thank you for your support and for sharing your story with us!

Are you a former La Rabida patient or family? We'd love to hear from you. You can reach out to us at publicrelations@larabida.org any time.
